

CHAPTER 11
TOWN OF RIB FALLS

MANDATORY RECYCLING ORDINANCE

This is a Mandatory Recycling Ordinance for the Town of Rib Falls.

1.02. PURPOSE: The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in S.159.11 Wis. Stats., and Chapter NR544, Wis. Administrative Code.

1.03 STATUTORY AUTHORITY: This ordinance is adopted as authorized under S.159.09(3)(b), Wis. Stats., and the Marathon County Waste Management Ordinance #30-89.

1.04 ABROGATION AND GREATER RESTRICTIONS: It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

1.05 INTERPRETATION: In their interpretation and application the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

1.06 SEVERABILITY: Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

1.07 APPLICABILITY: The Requirements of this ordinance apply to all persons within the TOWN OF RIB FALLS. Included shall be all residential dwellings and non-residential facilities, commercial, agricultural, industrial, and institutional activities and buildings. Rental units, multi-family dwellings and mobile homes are the responsibility of the property owner. Such owner or manager shall be responsible for the informing the resident of the recycling arrangement and the residents shall be responsible for complying with such arrangements.

1.08 ADMINISTRATION: The provisions of this ordinance shall be administered by the Town Board of the Town of Rib Falls.

1.09 EFFECTIVE DATE: The provisions of this ordinance shall take effect on January 1, 1995.

1.10 DEFINITIONS: For the purposes of this ordinance:

- (1) "Bi-metal container" means a container for carbonated or malt beverages that is made primarily of a combination of steel & aluminum.
- (2) "Container board" means corrugated paperboard used in the manufacture of shipping containers and related products.
- (3) "HDPE" means high density polyethylene plastic containers marked by the SPI code No. 2.
- (4) "LDPE" means low density polyethylene plastic containers marked by the SPI code No. 4
- (5) "Magazines" means magazines and other materials printed on similar paper.
- (6) "Major appliance" means a residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven, refrigerator or stove.
- (7) "Mixed or other plastic resin types" means plastic containers marked by the SPI code No. 7.
- (8) "Multiple-family dwelling" means a property containing 5 or more residential units, including those which are occupied seasonally.
- (9) "Newspaper" means a newspaper and other materials printed on newsprint.
- (10) "Non-residential facilities and properties" means commercial, retail, industrial, institutional and governmental facilities and properties. This term does not include multiple family dwellings.
- (11) "Office paper" means high grade printing and writing papers from offices in non-residential facilities and properties. Printed white ledger and computer printout are examples of office paper generally accepted as high grade. This term does not include industrial process waste.
- (12) "Person" includes any individual, corporation, partnership, association, local governmental unit, as defined in s.66.299(1)(a), Wis. Stats., state agency or authority or federal agency.
- (13) "Pete" means polyethylene terephthalate plastic containers marked by the SPI code No. 1.
- (14) "Postconsumer waste" means solid waste other than solid waste generated in the production of goods, hazardous waste, as defined in s.144.61(5), Wis. Stats., waste from construction and demolition of structures, scrap automobiles, or high-volume industrial waste, as defined in s.144.44(7)(a)1., Wis. Stats.
- (15) "PP" means polypropylene plastic containers marked by the SPI code No. 5.
- (16) "PS" means polystyrene plastic containers marked by the SPI code No. 6
- (17) "PVC" means polyvinyl chloride plastic containers marked by the SPI code No. 3
- (18) "Recyclable materials" includes lead acid batteries, major appliances, waste oil, yard waste, aluminum containers, corrugated paper or other container board, foam polystyrene packaging, glass containers, magazines, newspapers, office paper, plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS, and mixed or other plastic resin types, steel containers, waste tires and bi-metal containers.

1.10 DEFINITIONS CONTINUED:

- (19) "Solid waste" has the meaning specified in s.144.01(15), Wis. Stats.
- (20) "Solid waste facility" has the meaning specified in s.144.43(5), Wis. Stats.
- (21) "Solid waste treatment" means any method, technique or process which is designed to change the physical, chemical or biological character or composition of solid waste. "Treatment" includes incineration
- (22) "Waste tire" means a tire that is no longer suitable for its original purpose because of wear, damage or defect.
- (23) "Yard waste" means leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

1.11 SEPARATION OF RECYCLABLE MATERIALS: Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties shall separate the following materials from postconsumer waste:

- (1) Lead acid batteries
- (2) Major appliances
- (3) Waste oil
- (4) Yard waste
- (5) Aluminum containers
- (6) Bi-metal containers
- (7) Corrugated paper or other container board
- (8) Foam polystyrene packaging
- (9) Glass containers
- (10) Magazines or other materials printed on similar paper
- (11) Newspapers or other materials printed on newsprint
- (12) Office paper
- (13) Plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and mixed or other plastic resin types
- (14) Steel containers
- (15) Waste tires

1.12 SEPARATION REQUIREMENTS EXEMPTED: The separation requirements of s.1.11 do not apply to the following:

- (1) Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in s.1.11 from solid waste in as pure a form as is technically feasible.
- (2) Solid waste which is burned as a supplemental fuel at a facility if less than 30% of the heat input to the facility is derived from the solid waste burned as supplemental fuel.
- (3) A recyclable material specified in s.1.11 for which a variance or exemption has been granted by the Department of Natural Resources under ss. 159.07(7)(d) or 159.11(2m) Wis. Stats. or s.NR 544.14 Wi. Administrative code.

1.13 CARE OF SEPARATED RECYCLABLE MATERIALS: To the greatest extent practicable, the recyclable materials separated in accordance with s.1.11 shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.

1.14 MANAGEMENT OF LEAD ACID BATTERIES, MAJOR APPLIANCES, WASTE OIL AND YARD WASTE. Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, and yard waste as follows:

- (1) Lead acid batteries shall be taken to an area retail business + that sells vehicle batteries. Automotive/truck lead acid type batteries that are free of large cracks and acid leakage may be placed at curbside for pickup.
- (2) Major appliances shall be taken to a specialized recycling company. The recycling representative for The Town of Rib Falls will have a listing of these companies to be contacted.
- (3) Waste oil shall be placed in a sealed container free of leaks and not to exceed 5 gallons in capacity and be clearly marked "oil". These can be placed at curbside pickup.
- (4) Yard Waste shall be disposed of by composting, etc. by each person. Town recycling representative has information on how to start a good compost, etc.

1.15 PREPARATION AND COLLECTION OF RECYCLABLE MATERIALS: Except as otherwise directed by the Town Board of the Town of Rib Falls, occupants of single family and 2 to 4 unit residences shall do the following for the preparation and collection of the separated materials specified in s.1.11(5) through (15), and placed at curbside by 7:00 A.M. on the day designated for collection:

- (1) Aluminum containers shall be empty and free of any foreign material or debris and placed in its own recycling container.
- (2) Bi-metal containers shall have labels removed, free of any product residue, ends removed and flattened, and placed in its own recycling container.
- (3) Corrugated paper or other container board shall be free of debris, flattened, stacked and tied in bundles convenient size for one man to handle and placed upon the curb on the day designated for collection.
- (4) Foam polystyrene packaging shall be free of product residue and placed in its own recycling container and placed at curbside on day of collection.
- (5) Glass containers shall be sorted per color, unbroken, rinsed clean, all caps, lids and rings removed and placed in their own recycling container.
- (6) Newspapers or other materials printed on newsprint shall be bundled and tied securely with strong string or rope in two directions. Bundles must be kept under 25 pounds and put in its own recycling container.

1.15 PREPARATION & COLLECTION OF RECYCLABLE MATERIALS CONTINUED:

(7) Magazines or other materials printed on similar paper shall be bundled and tied securely with strong string or rope and tied in two directions. Bundles must be kept under 25 pounds and put in its own recycling container.

(8) Office paper shall be placed its own recycling container.

(9) Plastic containers shall be prepared and collected as follows:

(a) Plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, AND Plastic made of mixed or other plastic resin types must be clean, caps removed and all plastic containers placed in their own recycling containers

(10) Steel containers shall be rinsed free of product residue and placed in their own recycling container.

(11) Waste tires taken to an area retail business that sells tires or to a designated tire recycling facility. This would be responsibility of each person.

1.16 RESPONSIBILITIES OF OWNERS OR DESIGNATED AGENTS OF MULTIPLE-FAMILY DWELLINGS.

(1) Owners or designated agents of multiple-family dwellings shall do all of the following for recycling the materials specified in s. 1.11(5) through (15):

(a) Provide adequate, separate containers for the recyclable materials.

(b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter ABOUT THE established recycling program.

(c) Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.

(d) Notify tenants of reasons to reduce and recycle solid waste which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

(2) The requirements specified in (1) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s.1.11(5) through (15) from solid waste in as pure a form as is technically feasible.

(3) A person in the Town of Rib Falls owning or occupying a new building or a building that is remodeled or expanded by 50% or more in floor area, shall provide a designated area for the separation, temporary storage and collection of solid waste and recyclables either within or adjacent to the building.

1.17 RESPONSIBILITIES OF OWNERS OR DESIGNATED AGENTS OF NON-RESIDENTIAL FACILITIES AND PROPERTIES.

- (1) Owners or designated agents of non-residential facilities and properties shall do all of the following for recycling the materials specified in s.1.11(5) through (15):
- (a) Provide adequate, separate containers for the recyclable materials.
 - (b) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
 - (c) Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
 - (d) Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation and a contact person or company, including a name, address and telephone number.
- (2) The requirements specified in (1) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s.1.11(5) through (15) from solid waste in as pure a form as is technically feasible.

1.18 PROHIBITIONS ON DISPOSAL OF RECYCLABLE MATERIALS.: No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in s. 1.11(5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

PROPER DISPOSAL OF Recyclables:

- (1) Antiscavenging or Unlawful removal of recyclables.
It shall be unlawful for any person, unless under contract with or licensed by the municipality, to collect or remove any recyclable material that has been deposited or placed at the curb or in a container adjacent to a home or nonresidential building for the purposes of collection for recycling.
- (2) No Dumping:
No person may dump, deposit or place refuse/recycling in receptacles or on the property of another without the express consent of the owner.

All recyclables must be placed in designated bags/containers and in the manner and at the times as specified by the Town of Rib Falls Town Board.
- (3) No burning or burying:
Open burning shall be permitted only of clean wood and paper products.
- (4) Garbage from outside of Municipality:
It shall be unlawful to bring refuse for disposal and recyclables from outside the corporate limits into the Town of Rib Falls unless authorized by agreement of the Town of Rib Falls Town Board.

HAULER SPECIFICATIONS:

(1) LICENSING: The Town Board of the Town of Rib Falls will contract with a licensed hauler to collect all recyclables on behalf of the Town from all residents in accordance with the Town Recycling Ordinance.

Haulers who collect recyclables in the Town of Rib Falls for storage, treatment, processing, marketing or disposal shall obtain and maintain all necessary municipal and state permits, licenses, and approvals prior to collecting any materials in the Township.

(2) HAULER RESTRICTIONS: Any contractor operating in the Town of Rib Falls shall not transport for processing any recyclables to a processing facility unless the contractor notifies the municipality which facility they're using in writing and, by January 1, 1995, the facility has self-certified with the Wi. DNR under section NR 544.16 Wis. Adm. Code.

(3) ASSIGNMENT: The contractor shall not subcontract or assign its rights and/or obligations under the terms of this contract except with the written consent of the Town Board.

(4) RIGHTS AND OBLIGATIONS:

(a) The Contractor shall have the obligation to collect all recyclables on behalf of the Town from all residents in accordance with the Towns Recycling Ordinance.

(b) The contractor shall not have any exclusive rights prohibiting the Town or its residents from participating in other recycling programs.

(c) All recyclable materials placed for pickup shall be deemed the property of the garbage disposal company and no person shall disturb or remove such material.

(5) RIGHT TO REJECT MATERIALS: The hauler has the right to reject or leave at the curb any recyclable material that is not prepared according to the specifications in this ordinance or in education material provided by the contractor to the service recipients. Materials may also be left if not separated from solid waste, placed in the proper container, or are not designated recyclable materials for collection. The hauler also has the right to refuse to pick up any solid waste if it contains recyclable containers and materials. In such cases, the hauler shall notify the generator of the materials about the reasons for rejecting the items in writing, the hauler shall also keep a list of such occurrences & provide it to the Town Board monthly.

(6) EQUIPMENT: The Contractor shall provide all standard or specialized equipment necessary to collect the recyclables on schedule, in a professional and efficient manner. The equipment shall be safe, sanitary, and maintained in such a manner as to accomplish the efficient collection of recyclables. Equipment shall not be permitted to remain parked on Town roads when not in use.

Hauler Spec. continued:

(7) HAULER EMPLOYEES:

The Hauler shall employ such persons as may be needed to collect recyclables on schedule. All such persons shall be the employees of the Hauler, who shall be solely responsible for providing worker's compensation and for complying with the requirements of the State of Wisconsin and the Department of Industry, Labor and Human Relations, relating to the employment of such persons. The Hauler contracted shall also be responsible for all claims and bills for wages, salaries, supplies purchased, or in any way related to the Haulers performance of the Recycling Ordinance. The hauler further agrees to comply with all applicable Federal regulations regarding employment. All insurance policies carried by the hauler that are required for recycling in the Town of Rib Falls shall bear an endorsement or shall have attached thereto a rider providing that in the event of cancellation of such policies for any reason whatsoever, the Town shall be notified in writing, by the carrier and hauler, at least thirty (30) days prior to such cancellation.

(8) INSURANCE: In addition to Worker's Compensation Ins. the hauler shall carry general public liability insurance with limits as set by the Town Board. The Hauler shall provide the Town with evidence of Insurance consistent with requirements set forth by the Town Board. The Town shall be listed as a co-insured party. All insurance policies carried by the Hauler, required by conditions of this ordinance, shall bear an endorsement or shall have attached thereto a rider providing that in the event of cancellation of such policies for any reason whatsoever, the Town shall be notified in writing by the Insurance carrier and the Hauler at least thirty days prior to any such cancellation.

(9) INDEMNITY: The Hauler shall agree to indemnify the Town and to save and hold Town free and harmless from and against any and all judgments, damages, losses, costs, claims, expenses, suits, demands, actions, and/or action of any kind or of any nature, which may be sustained by reason of damage or damages or injury to any person or persons or property, or death to any person or persons, or by reason of any other liability imposed by law or by anything or by anyone else upon the Town, as the result of and/or due to Haulers operations which are the subject to this ordinance; and the Hauler further shall agree to indemnify and save and hold free and harmless any of the Towns appointed, hired, elected officers, employees, and designees from the aforementioned judgments, damages, losses, costs, claims, expenses, suits, demands, actions, and/or causes of action of any kind or of any nature, and this specifically includes within this indemnification and hold harmless attorney's fees and other costs of defense which may be sustained by and/or occasioned to Town and or any of Town's appointed, hired and/or elected officers, employees.

(10) WEIGH TICKETS: The Hauler/contractor shall furnish the Town on a six (6) month basis, reports with a calculated tonnage of each listed recyclables collected each month within the Town under this ordinance. Available documentation, such as weigh scale tickets for full loads, and estimated if partial loads, shall be included in the report. Six months periods are to run from January 1 to June 30 and July 1 to December 31 of each year.

1. COLLECTIONS:

(1) FREQUENCY AND SCHEDULE: The Hauler shall collect recyclables not less than once each month. Unless the Hauler gives the Town and affected residents advance notice, all regular collections for any designated area shall occur on the same day each month. The Hauler shall layout collection routes and provide adequate equipment and labor so as to complete scheduled collections on the designated collection day.

(2) SPECIFIED CONTAINERS: Recyclables shall be placed in designated containers as ruled on by Town Board and Hauler/Contractor. Except as otherwise specifically directed or authorized by the Town Board, recycling containers shall be placed AT THE CURB LINE adjacent to the premises owned or occupied by the person of the street designated in the published collection schedule for collection. All recycling containers shall be placed at the curb line by 7:00 A.M. on the morning of the designated day of collection.

(3) SPECIAL MATERIALS: Special materials such as couches, stoves, refrigerators, and bulky items will be disposed of by the resident. Information as to who will pick up these items can be obtained from the designated Town Recycling person.

(4) The Town Board and Hauler shall establish the day of collection and the Town designated Recycling person for the Town of Rib Falls will provide written notice of the collection day and additional recycling information by January 1 of each year.

(5) EXEMPTIONS: The Town Board reserves the right to designate additional solid waste materials as recyclable or currently collected materials as no longer recyclable in accordance with State Law and to either add or dellet them from any collection services provided by the municipality or its contractors.

(6) RECYCLABLES HAULING/DISPOSAL: The Hauler/Contractor shall cause the delivery of all source-separated recyclable materials to an appropriate recycling facility. No source-separated recyclable materials shall be delivered to the Marathon County Landfill or any other sanitary landfill, without prior approval of the Town Board or the Marathon County Landfill.

1. RECYCLING FEES:

(1) SERVICE RECIPIENTS: The Town Board shall establish fees for all property owners for the payment of collection services for recycling in the Township by taking the actual costs per year less any/all grants obtained for that year and placing balance equally on tax roll at end of each year.

(2) OWNERSHIP OF RECYCLABLES: Recyclable materials upon placement at the curb shall become the property of the hauler/contractor. Recyclable materials, upon collection by any permitted collector, shall become the property of the hauler/contractor. The proceeds from the sale of all recyclables collected with the Town under the terms of this ordinance shall be the contractor/haulers.

1. ENFORCEMENT:

(1) Any authorized officer, employee or representative of the Town of Rib Falls may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, for the purpose of ascertaining compliance with the provisions of this ordinance. No person may refuse access to any authorized officer, employee or authorized representative of the Town of Rib Falls who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.

(2) Any person who violates a provision of this ordinance may be issued a citation by the Town Board of the Town of Rib Falls to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.

(3) Penalties for violating this ordinance may be assessed as follows:

- (a) Any person who violates s.l.18 may be required to forfeit \$50. for a first violation, \$200. for a second violation, and not more than \$2000 for a third or subsequent violation.
- (b) Any person who violates a provision of this ordinance, except s.l.18, may be required to forfeit not less than \$10 nor more than \$1000. for each violation.

TOWN OF RIB FALLS ORDINANCE

An ordinance to revise and amend Ordinance #12-90 for Mandatory Recycling as authorized by Wis. Stats. #159.11 and Chapter NR544, Wis. Adm. Code.

The Town Board of the Town of Rib Falls, Wisconsin, do ordain as follows:

Ordinance #15-94, having been placed on file and open to public inspection in the office of the Town Clerk for a period of two weeks, commencing February 21, 1994, in accordance with the procedure provided under Sec. 66.035 of Wis. Stats., is hereby adopted as the general code of mandatory recycling for the town of Rib falls, Marathon County, Wisconsin and the previously adopted recycling ordinance of the Town of Rib Falls, Wisconsin is hereby repealed.

The code of mandatory recycling hereby adopted shall not be deemed to repeal any other ordinances of the Town of Rib Falls or any general ordinances or parts hereof and not conflicting with any of the provisions of the MUNICIPAL CODE OF THE TOWN OF RIB FALLS.

This ordinance shall take effect upon passage and publication as required by law.

Adopted: March 8, 1994
